Re: *Dunn v. The Methodist Hospital*, Cause No. 2015-69681, 189th Judicial District
Court, Harris County, Texas

Mr. Trainor:

Thank you for providing the Office of the Attorney General of Texas with notice regarding the constitutional challenge to section 166.046 of the Texas Health and Safety Code in the above-styled case. At this time, the Office of the Attorney General of Texas has decided not to seek direct involvement in this case.

Although the Office of the Attorney General of Texas has decided not to intervene at the present time, we respectfully ask that—if there is a ruling on the constitutionality of the statutes in question you please send the relevant notice and subsequent pleadings to this office. Similarly, if you later amend that challenge or any party adds a new constitutional challenge, please send those pleadings to this office. We appreciate your ongoing assistance.

Very truly yours,
