Dear Thad,

It gives me a great deal of pleasure to confirm that the Hamline University Board of Trustees voted at its meeting on May 10, 2013 to grant you tenure.

Your tenure approval was based on your strong record as the director of the Health Law Institute, a teacher, a scholar, and an active member of our community. The board was particularly appreciative of the innovations you have introduced within the HLI both in the areas of programming and program marketing. Additionally, you are a prolific scholar, writing and presenting materials for audiences within the legal and medical communities.

I deeply appreciate your significant contributions in all areas of your work and look forward to your continued growth at Hamline for many years to come.

Please accept my sincere congratulations and best wishes for every future success.

Sincerely,

Linda N. Hanson, Ed.D.
