UNSWORN DECLARATION UNDER PENALTY OF PERJURY
(28 U.S.C. §1746)

My name is Kevin Acevedo. I am an attorney licensed in the State of Texas, Bar No. 24086848, and I declare under federal and penalty of perjury that the facts stated in the Original Petition and application for Temporary Restraining Order in this case are correct to the best of my ability and knowledge.

Tonight, at 9:15pm, I spoke by phone who is treating the minor in this case at the Texas Children's Hospital, and who did not give me his name, and he informed me that the minor may be transferred to another hospital, but more likely the baby will be examined for brain wave activity one last time tomorrow, September 30, 2020, at approximately 9:00am, and if they determine that there is no clinically verifiable brain waves in the child, then the child will be declared "deceased."

I took this to mean that, if the child is declared "deceased" at approximately 9:00am tomorrow, September 30, 2020, he will be immediately disconnected from any life-sustaining medical and mechanical support system, which will cause irreparable harm to the Plaintiffs in this case.

The child's parents are suspicious that the hospital staff is rushing to make a decision, when the child was injured merely 5 days ago, and there has been no chance to get a second opinion on the matter. That is why the Court's urgent intervention is so necessary. We therefore need emergency assistance.

Pursuant to federal law, 28 USC 1746, I hereby submit this Unsworn Declaration Under Penalty of Perjury, and confirm it by my signature below:
